The Waldron Homestead in Barrington, N.H. was built by Colonel Isaac Waldron about 1780. The old militia training grounds were across from the house on the flat land between the house and the Province Road. Here, except during the War of 1812, the militia gathered twice a year for training musters. The colors were kept in the house and color ceremonies took place in the front yard.

Colonel Isaac Waldron fought in the War of 1812. His father, Richard Kenney, fought in the French and Indian War. David Waldron, Isaac's brother, fought in the Revolutionary War and is buried in the Solomon Waldron graveyard in back of Pine Grove Cemetery.

## TOWN MEETING - MARCH 4, 1975

At the legal meeting of the inhabitants of the Town of Barrington in the County of Strafford and State of New Hampshire the following action was taken on the Town Warrant on Tuesday, the 4th day of March, 1975.

The meeting at the Town Hall in Barrington was called to order by the Moderator, E. Richard Rowell, at 10:00AM. The polls for voting on Articles 1, 2, and 3 were opened at 10:00AM and closed at 6:00PM. At 7:35PM, the following action was taken on the Articles of Business:

Number of eligible voters on check list: 1,287

Number of votes cast from 10:00AM - 6:00PM 575

ARTICLE 1. To choose, by ballot and major vote, one Selectman, one Trustee of Trust Funds, one Special Library Trustee, and one Auditor for three years.

Result:

Selectman:	Ronald Seaver,	294 votes
Trustee of Trust Funds:	Dorothy B. Berry,	516 votes
Special Library Trustee:	Dorothy B. Berry,	504 votes
Auditor:	Patricia M. Flynn,	216 votes

ARTICLE 2. To choose, by ballot and major vote, one Town Clerk, one Treasurer, and one Tax Collector for one year.

Result:

Town Clerk:	Muriel T. Leocha,	555 votes
Treasurer:	Katherine C. Swain,	530 votes
Tax Collector:	Judith W. Lee,	510 votes

ARTICLE 3. To vote, by ballot, to determine if the Town is in favor of continuing three-year terms of office for the Town Clerk, Tax Collector and Treasurer.

This article was included on the official ballot, and the result was as follows:

Yes:	462	No:	77	<u>Result:</u>	Adopted
------	-----	-----	----	----------------	---------

ARTICLE 4. To authorize the Town of Barrington to purchase stamps, postcards, etc. with which to notify all registered voters of the time, date and place of any Town, School, Planning Board or other meeting which would require a Town vote (by petition).

On Motion made by Gertrude Moreau and seconded by Elaine Nettleton, it was

VOTED: That Article 4 be found inexpedient to legislate.

ARTICLE 5. To see if the Town will vote pursuant to RSA 31:105 to indemnify and save harmless for loss of damage any member or officer of its governing board, administrative staff or agencies, from personal financial loss and expense including reasonable legal fees and costs, if any, arising out of any claim, demand, suit or judgement by reason of negligence or other act, resulting in accident or injury to a person or accidental damage to or destruction of property if the indemnified person at the time of the accident resulting in the injury, damage or destruction

was acting in the scope of his employment or office.

Mr. Burrows explained RSA 31:105 as being permissive legislation. He further added that a policy covering all town officials would run approximately \$500.00, and the Town is liable for any suit brought against an employee.

On Motion made by Alice Garnett and seconded by Fred Timm, it was

VOTED: To accept Article 5 as written in the Town Warrant.

ARTICLE 6. To see if the Town will vote pursuant to the mandatory provisions of RSA 31:106 to indemnify and save harmless any person employed by it and any member or officer of its governing board, administrative staff or agencies from personal financial loss and expense, including reasonable legal fees and costs, if any, arising out of any claim, demand, suit or judgement by reason of any act or omission constituting a violation of the civil rights of any employee or was not committed with malice and if the indemnified person at the time of such act or omission was acting within the scope of his employment or office.

The mandatory provisions of RSA 31:106 was explained by Mr. Burrows as the Town authorizing the Selectmen to acquire insurance for the Town employees.

On Motion made by Norman Arlin and seconded by Fred Timm, it was

VOTED: To accept Article 6 as written in the Town Warrant.

ARTICLE 7. To authorize the Selectmen to negotiate for and procure appropriate comprehensive general liability insurance to protect the Town against liability for property damage or other personal injury resulting from acts or omissions of the Town, its officers or employees.

On Motion made by Norman Arlin and seconded by Raymond Berube, it was

VOTED: To accept Article 7 as written in the Town Warrant.

ARTICLE 8. To see if the Town will reaffirm action taken at a previous Town meeting and establish a fund in trust for the purchase of beach front property, and authorize the Selectmen to insure transfer of funds already in the possession of the Trustee of Trust funds to said trust.

Mr. Arlin reported that the sum of \$6,172.96 was on hand as of December 31, 1974.

On Motion made by Alice Garnett and seconded by Norman, Arlin, it was

VOTED: To accept Article 8 as written in the Town Warrant.

ARTICLE 9. To see if the Town will authorize the Selectmen to borrow up to the sum of \$100,000.00 in anticipation of taxes, if necessary.

On Motion made by Norman Arlin and seconded by Raymond Berube, it was

VOTED: To accept Article 9 as written in the Town Warrant.

ARTICLE 10. To see whether the Town will vote to join the Strafford Regional Planning Commission and the Strafford-Rockingham Planning Council as authorized by RSA 36:46, and raise the sum of \$1,796.00 to cover the

Town's share of the expenses during the next fiscal period.

Mr. Wallace, Chairman of the Planning Board, spoke in behalf of the Board stating he didn't feel the amount involved would warrant acceptance of this Article.

On Motion made by William Wallace and seconded by Alice Garnett, it was

VOTED: That Article 10 be found inexpedient to legislate.

ARTICLE 11. To see if the Town will raise and appropriate the sum of \$311.00 for the control of white pine blister rust within the confines of the Town.

Mr. Calef voiced his objections as to the amount in the respect that it was in excess and the sum of \$155.00 was more reasonable for the land affected between Beauty Hill Road and Young Road.

On Motion made by Russell Fogg and seconded by Norman Arlin, there was a motion to amend the motion made by Michael LaRocca and Melanie LaRocca to the sum of \$155.00, it was

VOTED: To accept the amendment.

ARTICLE 12. To see if the Town will authorize the fire department to go to the aid of another city, Town, village or fire district within or without the state, for the purpose of extinguishing fires therein, as provided in RSA 154:24.

Chief Hayes informed the meeting that even though they had been doing this for 25 years, there was nothing in writing therefore making the fire department vulnerable to suits resulting from personal injuries, omission of duties, or damages.

In response to a question concerning the protection of Barrington during the runs to other towns, Chief Hayes replied they would only take one piece on a run, and that the Town is automatically covered by neighboring towns.

On Motion made by Wayne Monaghan and seconded by Gerald Pinzari, it was

VOTED: To accept Article 12 as written in the Town Warrant.

ARTICLE 13. To see if the Town will raise the sum of \$5,000.00 to be placed in trust for the future purchase of the fire truck.

On Motion made by Norman Arlin and seconded by Wayne Monaghan, it was

VOTED: To accept Article 13 as written in the Town Warrant.

ARTICLE 14. To see if the Town will adopt, as a Town ordinance, the rules and regulations of the State Fire Marshall as provided in RSA 153:14 1973 supplement.

On Motion made by Norman Arlin and seconded by Clarence Garnett, it was

VOTED: To accept Article 14 as written in the Town Warrant.

ARTICLE 15. To see if the Town will authorize the Selectmen to make use of the services of the Strafford County dispatch center, and approve expenditure of the sum of \$1,865.00 in support of the Town's action.

Mrs. Calef voiced objections in the respect that we are getting the service for nothing and even though it would cost \$1.00 per capita this year, it could be higher in the coming years.

Mrs. Rowell praised the County Dispatch Center for their valuable service to the Town and invited everyone to visit the Center. She said that some monies are directed to the Center from the county tax, but the Town was asked to contribute.

Mr. Calef spoke with regard to the valuable service the Dispatch Center performed, but suggested that it stay in the county budget.

Mr. Pinzari asked the question of Chief Swain as to what effect there would be if the Article was turned down, and Chief Hayes answered that after federal funding, he did not know what would happen.

On Motion made by Dana Caswell and seconded by Norman Arlin, due to the closeness of the vote a show of hands was required. The count revealed 79 to 58 in favor of Article 15.

VOTED: To accept Article 15 as written in the Town Warrant.

ARTICLE 16. To see if the Town will approve the establishment of a trust fund for the purpose of setting monies aside for the purchase of a Police Department vehicle, and what sum the Town will raise and appropriate to be placed in said trust.

Chief Swain suggested the sum of \$800.00 be put into the fund for a cruiser.

On Motion made by Dawn Hatch and seconded by Pat Newhall, it was

VOTED: That the Town establish a trust fund in the amount of \$800.00 to be set aside for the purchase of a Police Department vehicle.

ARTICLE 17. To see what sum the Town will raise to help the Police Department to purchase a portable radio.

Chief Swain said that a radio is no longer available for the Town through federal funding. He added that a portable radio would be more satisfactory since a base was not needed and they could communicate among themselves. He suggested the figure of \$1,143.00 as this was the amount needed for a new one but would accept any amount up to that figure.

On Motion made by Michael LaRocca to adopt the Article with the limitation of \$1,143.00 and the Department to solicit these funds in a manner that is conducive with the correct attitude to the new appropriations from the Town and seconded by Melanie LaRocca, there was a motion to amend the motion made by William Dean and seconded by Eleanor Ames to put the sum of \$400.00 toward the purchase of a Police Department radio with the stipulation the Department raise the remaining funds necessary by a policeman's ball, it was

VOTED: NOT to accept the amendment.

On Motion made by Fred Timm and seconded by Robert Day to reconsider Article 17, it was

VOTED: To appropriate the sum of \$400.00 for the purchase of a portable radio.

ARTICLE 18. To see if the Town will raise and appropriate the sum of \$5,000.00 for preparation of the tax map.

Mr. Musler informed the meeting that they have about \$3,000.00 in the tax map, and that a lot of local people had contributed to this outstanding project.

On Motion made by Raymond Dionne and seconded by Raymond Spinney, it was

VOTED: To accept Article 18 as written in the Town Warrant.

ARTICLE 19. To see if the Town will raise and appropriate the sum of \$39,000.00 for general maintenance of the Town roads and bridges.

A question was raised as to what services the Town would get for the amount to which Mr. Musler replied that this included summer and winter maintenance, some sealing, cold patching, and maintenance on the Town truck which was attributed to the increase, and other projects of this nature. The Road Agent's salary is also included.

Mr. Musler explained the difference between Article 19 and 20 being that Article 19 was state money that could be applied under certain conditions to certain roads and could not be a duplication of any existing roads and had to be designated by the Selectmen with the approval of the state. Article 20 is to upgrade a road and put a top on a road.

Mr. Pinzari questioned the deficit and Mr. Lenzi answered that this was due to tar and trucking costs that hadn't been anticipated. Mr. Musler said that most of the increase was due to the bituminous seal and other road projects that ran over. He also said that as a result of a recent Supreme Court decision, the Town is liable for any injury on the roads as of July.

On Motion made by Ted Sink and seconded by Raymond Spinney, it was

VOTED: To accept Article 19 as written in the Town Warrant.

ARTICLE 20. To see if the Town will raise and appropriate the sum of \$1,239.42 for Town road aid, State share to be \$8,262.81.

Mr. Musler informed the meeting that in addition to the money raised in Article 20, we have \$10,000.00 in trusts to our credit with the state. Speaking for the Selectmen, Mr. Musler said that it was their intent to put a top on the upgraded ends of Young Road (Woods Road) and Second Crown Point Road.

On Motion made by Norman Arlin and seconded by Raymond Berube, it was

VOTED: To accept Article 20 as written in the Town Warrant.

ARTICLE 21. To see if the Town will raise and appropriate the sum of \$18,946.77 to be used to improve all or portions of various roads (re: RSA 241 section 14).

Mr. Musler explained the Road Agent, Steve Lenzi, had recommended this money for a top on Pine Top Road, Sloper Road, and Barrington Oak Road.

On Motion made by Edward Beal and seconded by Norman Arlin, it was

VOTED: To accept Article 21 as written in the Town Warrant.

ARTICLE 22. To see if the Town will raise and appropriate the sum of \$4,000.00 for the use in repairing the following roads at the particular points noted:

1. Young Road (near Bushby's)
2. Mt. Misery Road (on the hill from Nippo Country Club to Rt. 126)
3. Pond Hill Road (near the Strafford line)

On Motion made by Walter Lovell and seconded by Pamela Lenzi, it was

VOTED: To accept Article 22 as written in the Town Warrant.

ARTICLE 23. To see if the Town will raise and appropriate the sum of \$16,500.00 for the use in applying bituminous seal to the following roads:

1. Hall Road (from France to Beauty Hill)
2. Smoke Street (along the previously paved way)
3. Canaan Road, (from intersection with North River Road to Strafford line)
4. Gulf Road
5. Young Road (spotted over approximately 2 miles)
6. Province Road (from Rt. 125 to intersection with Mallego Road)

On Motion made by Ralph Swain and seconded by Edward Beal, it was

VOTED: To accept Article 23 as written in the Town Warrant.

ARTICLE 24. To see if the Town will raise and appropriate the sum of \$5,000.00 for the following items of equipment for the Highway Department.

1. York rake
2. Street sweeper
3. Portable brush cutter

In response to a question regarding the need for a York rake and street sweeper, Mr. Lenzi recalled the difficulties he has had in the previous years renting these items at the times they were needed.

On Motion made by Walter Lovell and seconded by Edward Beal, it was

VOTED: To accept Article 24 as written in the Town Warrant.

ARTICLE 25. To see what sum of money the Town wishes to appropriate for the paving of at least  $\frac{1}{2}$  mile of Brewster Road so-called, from its intersection with Smoke Street, so-called, towards the intersection of Rowell Road, so-called, (by petition).

Mr. Baker suggested the figure of \$9,000.00 to preserve the work done last year on the road and said the paving would eliminate the repeated grading.

The question was asked of the Selectmen as to how they felt regarding this article. Mr. Musler said consideration should be given to this road as any other road, but that there had been some concern with the respect

to the log road under this road. He added that being this is a dirt road, it would deteriorate as would any other road with 16 families residing there.

Mr. Timm recommended the petitioners carry this over for another year for the road to settle since the road was just filled in last year.

On Motion made by David Baker and seconded by Raymond Berube, it was

VOTED:               NOT to accept Article 25 as written in the Town Warrant.

ARTICLE 26. To see if the Town will accept the following roads in Speedwell Pines, (so-called) area. Lakeshore Drive (so-called), starting from the Southwest side of Beauty Hill Road and going in South, Southwesterly for 750ft. (approximately). Then running South, Southeasterly and going 2,217ft. (approximately) to a terminus. Woodhaven Drive (so-called) starting on the Southwest side of Beauty Hill Road and going in a South, Southwesterly 410ft. (approximately), turning South, Southeasterly for 395ft. (approximately), then turning South, Southwesterly for 400ft. (approximately), and intersecting with Lakeshore Drive (so-called) as Town roads subject to applicable ordinances (by petition).

In reply to a question as to whether the roads come up to standards as in Article 20 of last year's minutes and if they would be accepted under the same conditions, Mr. Lenzi replied that they did but the Town had enough roads.

Mr. Musler referred to the ordinances on the acceptance of new streets that if the Town did accept a road, it was on a conditional basis for two years after acceptance.

The Moderator pointed out that a developer or owner is required to have an article placed in the Town Warrant for acceptance of the street when at least 80% of the proposed buildings have been completed and occupied on said street. He also pointed out that the Town is obligated to accept a street when all specifications had been met. In reply to a request, Mr. Rowell read the Town's ordinances on roads being accepted.

Mr. LaRocca said a safety factor existed with regard to school children and that these families should have the security of their mail being delivered.

On Motion made by Wayne Monaghan and seconded by Michael LaRocca, it was

VOTED:               NOT to accept Article 26 as written in the Town Warrant.

ARTICLE 27. To see if the Town will accept a certain highway over and upon the property of Thomas F. Saulnier for the accomodation of the public. The aforesaid highway consists of a road, named Fogarty Road, being fifty (50) feet wide and approximately 2600ft. long and providing access to 16 lots as approved by the Planning Board, on the northerly side of Beauty Hill Road, one mile west of Route 125, as shown upon the subdivision plan on Shamrock Acres, "Plan of Land of Thomas F. Saulnier, Barrington, N. H.", dated 1972, and revised by Frederick E. Drew Associates Surveyor, dated August, 1-74. (submitted by developer).

Mr. Saulnier, the developer, said he had put a whole new top on the road, and that he was responsible to keep the road in shape for two years. He informed the meeting that he has offered the present owners of lots sold the option to buy adjoining lots in order for the subdivision to be a good one, and in that respect the market value would stay up. He also stated that 80% of the houses were not occupied.

Mr. Fimm said that a law is a law so therefore the article should be turned down but recommended to the Selectmen the law be revised to make it applicable to the point in question of occupancy.

Mr. Saulnier replied he preferred to have the development the way it was and not have a house on every lot.

Mr. Colby said that as long as the lots were 40,000ft. they would be acceptable to build on even though they had one owner and would be necessary to go through the Planning Board for a subdivision.

Mr. Musler advised that if the article passes, the previous article could be reinstated if seven registered voters petitioned the Chair for a vote on a reconsideration on the article by ballot. He also said that the Selectmen recognize the fact the ordinance had to be modified but could not be modified at the meeting without a hearing.

On Motion made by Wayne Monaghan and seconded by William Dean, a show of hands was required due to the closeness of the vote resulting in a 78 to 78 tie. A second hand vote was called for by the Moderator with the second count revealing 89 to 86 in favor of the article. However, on a motion made by Albert Shiely, and assented to by six petitioners, it was decided to vote by secret ballot. While waiting on a decision by the Selectmen as to the ruling, the Moderator resumed the meeting with the next article.

ARTICLE 28. To see if the Town will raise and appropriate the sum of \$12,500.00 for the establishment of a sanitary landfill or other suitable process. This amount to include operation of the present dump until conversion is accomplished.

Mr. Pinzari said he understood the Town had a reprieve of one year on the sanitary landfill and would like to amend the article in the amount of \$4,500.00, and when it became appropriate, the Town could move Article 28 as being inexpedient to legislate.

On Motion made by Gerald Pinzari and seconded by George Musler, it was

VOTED: To raise and appropriate the sum of \$4,500.00 for operating expenses.

The Moderator then stated that on the question of Article 26 and 27 he could take a secret ballot when seven or more voters questioned in writing or orally any non-valid vote immediately after the vote was declared by the Moderator and before any other business had begun.

On a motion made by Nina Gardner and assented to by six petitioners, Article 26 was asked to be voted on by a secret ballot along with Article 27.

The Moderator then declared a recess for the purposes of voting on these two articles. After the voting, the meeting was then resumed.

ARTICLE 29. To see if the Town will raise and appropriate the sum of

\$12,000.00 and authorize the Selectmen to borrow the balance up to the sum of \$60,000.00 via a note to cover capital costs related to the establishment of a sanitary landfill or other suitable process.

On Motion made by Gerald Pinzari and seconded by Norman Arlin, it was

VOTED: That Article 29 be found inexpedient to legislate.

ARTICLE 30. To see if the Town will ratify use of the facilities of the community building by pupils within the Barrington School District during periods when said pupils are in the care of agents of said district.

Mr. Musler explained the school district and the Town were two separate and distinct entities and even though school children had been using the gym during the school day, the Town government had not given its approval. This article was to confirm the fact the Town accepted the use during the day.

On Motion made by Dawn Hatch and seconded by Edward Beal, it was

VOTED: To accept Article 30 as written in the Town Warrant.

ARTICLE 31. To see if the Town will authorize the Selectmen to act in their behalf in arranging the transfer of portions of properties that go to make up the lot associated with the community building to agents of the Barrington School District and to see what sum the Town wishes to receive in consideration for any transfer that may legally occur.

In response to a question from Mr. Timm regarding whether the survey had to be included in the transfer, Mr. Musler said the Selectmen were trying to avoid the necessity of going into Court and petitioning for a special Town meeting. This article would arrange the authority in advance to sell Town property and would save the Town the cost of calling a meeting

On Motion made by Fred Timm and seconded by Norman Arlin, it was

ARTICLE 32. To see if the Town will raise and appropriate the sum of \$3,600.00 for use by the Barrington Library Association.

It was explained this money was to go for books and salaries.

On Motion made by Raymond Spinney and seconded by Dave Henderson, it was

VOTED: To accept Article 32 as written in the Town Warrant.

ARTICLE 33. To see if the Town will raise and appropriate the sum of \$2,900.00 in support of the Rural District Health Council.

On Motion made by Russell Fogg and seconded by Norman Arlin, it was

VOTED: To accept Article 33 as written in the Town Warrant.

ARTICLE 34. To see what sum if any, the Town will raise and appropriate in support of the Lakes Region Association.

On Motion made by George Musler and seconded by Gerald Pinzari, it was

VOTED: That Article 34 be found inexpedient to legislate.

ARTICLE 35. To see if the Town will raise and appropriate the sum of \$500.00, a sum to be used by the Barrington Historical Society in continued development of a program for the celebration of the Nation's 200th Birthday.

Mr. Boodey explained that of the money voted in last year, \$250.00 was left and hopefully with other monies raised, they would have \$1,000.00 for a program for the upcoming celebration.

On Motion made by Norman Arlin and seconded by Raymond Spinney, it was

VOTED: To accept Article 35 as written in the Town Warrant.

The Moderator announced that the votes had been counted on Article 26 and 27 and the results were as follows:

Number of votes cast - 174

Article 26: 83 yes votes; 91 no votes. The Moderator announced that the Motion on Article 26 had been defeated.

Article 27: 95 yes votes; 79 no votes. The Moderator announced that the Motion on Article 27 as written in the Town Warrant had been accepted.

ARTICLE 36. To see if the Town will accept all other items in the budget not covered by articles in the warrant.

Mr. Musler explained that the budget was academic because the state would be coming in with a format that had to be filled out with regard to the actions taken in this meeting, and they in turn would establish the tax rate.

Mr. Musler then discussed the items in the budget that were not included in an article in the warrant upon a request from Mr. Calef. Under the heading of General Government, town officers' salaries, town officers' expenses, election and registration expenses, reappraisal, town hall and other town buildings, employees' retirement and social security had not been considered on their own merit.

With regard to Protection of Person and Property, the Police Department's operating budget, the Fire Department's operating budget, insurance, planning and zoning, and damages and legal expenses had not been in the warrant.

Mr. Musler explained the difference between Article 33 and the Health Department including hospital and ambulance service is the office's expense and the charge for the ambulance service from Durham who have been coming in on a gratis basis. \$400.00 of the recorded amount is our contribution to them. The item vital statistics which was not considered in a warrant is polling of the Town for resident tax.

Under the heading of Public Welfare, the town poor is now a part of the budget due to a state law requiring the Town to take care of the poor. At this point, Mrs. Flynn asked if there was any way the words "town poor" could be eliminated from the checks because it was embarrassing. Mr. Musler apologized for the antiquated approach used in these areas and said it would be considered.

The item old age assistance for the most part was for those people over 65 who occupy a room in the county hospital, and the \$50.00 for aid

to permanently and totally disabled was just to keep the account open.

Mr. Musler continued by saying that under Debt Service, this would be our third payment on the note. He also said that the Strafford Bank and others had proposed investing \$100,000.00 now.

With regard to Capital Outlay, Mr. Musler said that the sanitary landfill was out. Mr. Burrows explained the item of new equipment as being for a file cabinet for the addressograph plates, map cabinets, file cabinets for the tax maps of the Town, and a tape recorder for a legal record of meetings by the Zoning Board of Adjustment and the Planning Board. The rest of the items had been covered in the warrant.

Mr. Musler explained that the Federal Government required the Town to place the check in the general funds for revenues and that the figure is an estimated amount.

On Motion made by Russell Fogg and seconded by Wayne Monaghan, it was

VOTED: To accept Article 36 as written in the Town Warrant.

ARTICLE 37. To transact any other business that may legally come before said meeting of the Honorable Town Government.

Mr. Pinzari suggested an informal budget committee be formed each year that reviewed with the School Board and the Selectmen the upcoming budget. He added that these five people without power be required to report verbally at the beginning of the Town meeting and School meeting.

Mr. Lovell added to Mr. Pinzari's suggestion that he would like to see two people retained from the previous budget committee for continuity.

On a request from the Moderator for a voice vote concerning the formation of an informal budget committee, it was approved.

The following people were nominated to the committee:

Bill Dean
Fred Jackson
George Calef
Gerald Pinzari
Alice Garnett

Mr. Musler reported that the Federal Government had asked the Town to participate in an area wide planning and management approach to water quantity. He said it was becoming more evident to the Planning Commission that Barrington could be sitting on a water shed but that no commitment would be made in the name of the Town until it had been brought before the Town.

Bill Dean suggested that the intersection of Brewster Road and Smoke Street and the entrance to the dump was in need of gravel.

Mr. Timm said he would like the Town's representatives on the commissions concerning land, water, and air report to Concord or Washington that we have had enough of the Land Use Bill which was met with approval.

There being no further business to come before the meeting on Motion made by Norman Arlin and seconded by Fred Timm, it was

VOTED: To adjourn.

Adjourned accordingly at 11:15PM.

The Francis Winkley Homestead in Barrington, N.H. was built in the mid-1700's. Francis Winkley died in 1776 and in 1780 his home was purchased for a Congregational Church parsonage. Rev. Benjamin Balch was its first occupant. Rev. Balch saw much action in the Revolutionary War. He was ordained in 1784 in Barrington and served this church for 32 years.

## REPORT OF THE RURAL DISTRICT HEALTH COUNCIL

The past year has seen an increase in the services provided by the Rural District Health Council coupled with an increase in the requests for service. As the federal government studies the cost of health care there is increased interest in home care and preventive medicine as methods of reducing costs and improving health services. The Rural District Health Council continues to qualify as a certified home health agency, implementing procedures to continue to provide quality care.

In January 1975, Mrs. Marie Dexter, R. N. joined the staff in a dual role as Referral Coordinator at the Frisbie Memorial Hospital where she is a member of the Utilization Review Committee, and also as staff nurse for the agency providing skilled care for the towns of Barrington and Strafford. The addition of a Health Aide, Mrs. Joan Menez, has enabled the Council to better utilize the professional staff while continuing to provide quality care.

Along with the regular skilled nursing services provided in the home, members of the agency staff conduct adult screening clinics monthly in Northwood and Farmington which was requested by senior citizen groups in those towns. They also participate in the aftercare program in cooperation with the Strafford County Guidance Center and the Seacoast Counseling Center, assist local groups with area screening programs, participate in health planning and, by contract, supervise health aides in the Strafford County Homemaker - Home Health Aide Program. The Maternal and Child Health Program is very active providing regular physical examinations, immunizations and dental care for children 0-6 years enrolled in the Well Child Clinics. The agency staff also does home visiting to the patients participating in the Strafford County Prenatal and Family Planning Program and the Exeter Area Family Planning Program.

The strength of the Council lies in the efficiency and dedication of its staff. In addition to the two persons mentioned above, members of the professional staff are Mrs. Ardala Houle, R. N. Agency Supervisor; Miss Arlent Thorne, R. N., Maternal and Child Health nurse; Mrs. Barbara Drew, R. N.; Mrs. Myrtle Walsh, R. N.; Mrs. Lucy Myers, R. N. B. S.; Mrs. Bernadette Cameron, R. N.; and Mrs. Kathleen Hansen, RPT. The office duties are ably handled by Mrs. Norma Davis and Mrs. Eleanor Eaton.

The Rural District Health Council has been requesting \$1.00 per capita from member towns since 1969. As a result of the recent inflationary times and increase in services provided, it has been necessary, therefore, to increase the per capita request from each town by 10¢ to enable the Council to continue to provide these services.

During the past year the Council has made 444 home visits and 239 well child visits making a grand total of 683 for the town of Barrington.

Anyone interested in additional information is urged to contact the Rural District Health Council, P. O. Box 563, 6 South Main Street, Farmington, N. H. Telephone - 755-2989 between the hours of 8:00 A. M. and 4:00 P. M. Monday through Friday.

NEIGHBORHOOD YOUTH CORP.  
SPEDY PROGRAM

On July 8, 1975, the Neighborhood Youth Program started with six youths; Lynn Currier, Maureen Kelley, Anthony Nasuti, Daniel Nasuti, William Yates, and David Moholland. David Moholland left the program and was replaced by Michael Roberts and William Yates spent most of his time working at the elementary school.

Shrubs for the Town Hall were donated by Mr. and Mrs. Denneth Lee and the flowers by Robie's Greenhouse & the bark chips by the Women's Club of Barrington and the Women's Garden Club of Barrington.

The youths set out the shrubs and flowers around the Town Hall plus other landscaping, installed a rustic wooden fence, painted doors, and varnished the bleachers in the gym.

Seven historical cemeteries were cleared of brush; Buzzell on Corbett Road, Town Farm on Town Farm Road, Kingsman Corner of Oak Hill and Rowell Road, Cater on Rte. 202, Foss on Rte. 125, Otis on Pond Hill Road, and Gray on Pond Road.

The youths cut brush on various bad corners and curves of the roads around Town plus cutting both sides of Mt. Misery Road for construction. After three days of it, they decided that it was well named. Most of them found out what poison ivy was all about.

On the 18th of August, the youths were treated to an ice cream party at the Krazy Kone.

We met many interesting people while working around Town and they had very high praise for the youths and their work. They also found the cemeteries very interesting.

Many thanks to the people who donated things and helped to make the program a success.

Respectfully submitted,  
Elliott Stevens,  
Supervisor of Youth Corp.

REPORT OF THE BARRINGTON CONSERVATION COMMISSION

In 1975, the Conservation Commission was inactive until October. In that month, the Commission was re-organized and monthly meetings were re-instituted. The Commission now conducts regular meetings in the Town Hall commencing at 7:30PM on the fourth Tuesday of each month.

A member of the Conservation Commission attended the annual meeting of the New Hampshire Association of Conservation Commissions conducted in Andover, New Hampshire in November.

Members of the Conservation Commission are prepared to provide general information and assistance relative to the use of conservation restrictions to protect open space and the natural environment.

Respectfully submitted,  
John F. Barr  
Chairman

## POLICE DEPARTMENT REPORT

There were 53 motor vehicle accidents reported to the Barrington Police Department and investigated by them during 1975. Two of these accidents resulted in one fatality each.

There were 93 cases of Breaking and Entering resulting in thefts and/or vandalism. Local officers assisted the State Police on other accidents and breaks. Two juveniles were arrested for Breaking and Entering by State Police as a result of the work of their troopers and our officers.

A total of \$261.00 was collected in Accident and Theft Report Fees from various insurance companies. This money was turned over to the Town for the General Fund.

32 summons to Dover District Court were issued by the local officers from May through December alone.

Local businesses, residences, cottages etc. were checked on a regular basis all year and 897 such security checks were counted from September through December.

Cruiser miles for 1975 were 31,007 on the 1974 Plymouth.

Both the service the Police Department receives from the Strafford County Dispatch Center and the cooperation of the State Police have proved to be extremely valuable.

Respectfully submitted,  
Ralph Swain,  
Chief of Police

## REPORT OF THE FOREST FIRE WARDEN AND DISTRICT FIRE CHIEF

Upon the recommendation of town selectmen and city councils, the Division of Forests and Lands appoints a forest fire warden and several deputy forest fire wardens in each town and city every three years. The town or city warden is responsible for maintaining a force of men and adequate equipment to suppress any wildfire that occurs in his town or city during his term of appointment. The fire warden must authorize all open burning when the ground is not covered with snow. No open fires can be authorized between 9 a.m. and 5 p.m., unless it is raining, without the additional permission of the state district fire chief.

Any person wishing to kindle an open fire when the ground is not covered with snow must first obtain the written permission of the forest fire warden. Camp and cooking fires also require the warden's permission.

The Division of Forests and Lands, through its Forest Fire Service, assists all cities and towns in meeting these requirements by training the warden and deputy forces in wildfire suppression tactics, making hand tool suppression equipment available at fifty percent of cost, supplying pieces of Federal excess property for use as fire attack vehicles and sharing up to fifty percent of the cost of wildfire suppression costs.

Wildfire prevention is also a joint state, city or town program. Smokey Bear is available from the Forest Fire Service for local fire prevention programs. Posters and Junior Ranger kits are available for distribution by local fire departments upon request to the Forest Fire Service. Each forest fire warden is expected to carry on a continuous wildfire prevention program within his town or city.

## REPORT OF THE BARRINGTON FIRE DEPARTMENT

### 1975 Fire log-

Department calls: structural 13, chimney 12, woods and grass 19, accidents 11, car fires 5, trailers 2, resuscitator 3, lost persons 2, service calls 7, and false alarms 10. The fire department went out of town to assist at fires 8 times and received assistance through Mutual Aid 5 times.

30 oil burner and foster home inspections were made.

A 1966 International chassis was donated to the Department which we plan to use as a tanker to carry approximately 1200 gallons of water in place of the present 800 gallon 1949 Ford.

We are again having problems with chimney fires and wood burning equipment. Many of these are in new installations. Caution should be exercised in the operation and installation of these units.

The Fire Department strongly recommends the installation of a or several smoke detectors in the home. They will not stop the fire but will warn you of danger especially at night.

We wish to acknowledge with appreciation the many donations which are received yearly. This money is used for maintenance of the building and purchase of new equipment.

Sumner A. Hayes, Chief

## BARRINGTON, N. H. HISTORICAL SOCIETY

Energies of members have been channeled toward Bicentennial planning this year. However, membership remains high, and programs have been varied and interesting. Programs have ranged from Rev. Marshall Stevenson talking on Shakers, to Charles E. Bolian on Archeological Digs at Seabrook, N. H. and Lawrence Lyford on the planned N. H. Farm Museum. July saw a bus trip to Willowbrook Village at Newfield, Maine, where "Country Victorian" was enjoyed. In September, a small group went to Strawberry Banke in Portsmouth, and in November a trip was arranged to the Museum Rooms in the Fieldhouse at UNH where Robert Varney gave us a privately escorted tour. Meetings were canceled for December and January to allow the meeting place in the Community Building to settle back to normal after being used by the school children waiting for the opening of the new Middle School.

Markers were requested and received from the Veterans Administration for graves of six Revolutionary Soldiers. Research on this was done by members of the VFW as their Bicentennial project.

The Book of Graveyards in Barrington has been at the printer's since October 10. This is being published with the help of a grant from the N. H. American Revolution Bicentennial Commission. Expense is being shared by the BARBC and the Historical Society. Publication date is planned for Town Meeting Day.

Change in officers was slight: Edith Shiely is the present Recording Secretary; Mary Enhardt, Corresponding Secretary; and Norman Arlin, the new Director.

 LIBRARY REPORT

During the school year the library is open for 36 hours a week. I handle the hours that the school is open, Mary Enhardt handles most of the public hours. We are grateful to our volunteers, Mrs. Louise Williams, Mrs. Norma Magnuson, and Mr. Ray Spinney for taking the Sunday afternoon hours.

Our registration files were becoming overcrowded so we decided to re-register patrons who were using the library, both adult and child. To date we have registered 548 people.

A new "bin" style bookcase has been added to the children's corner making it much easier for our young readers to select their books.

This year we have added 385 books, both new and donations, to the library collection. Twenty-eight books were weeded out and discarded. This makes a total of 3755 books belonging to the library at this time.

Our circulation for the year is as follows:

Adult Fic---	2474
Adult N.F.--	2151
Child. Fic--	6092
Child. N.F.--	4179
Magazines----	262
Records-----	49
Puzzles-----	19

Total	15226

Ann K-V Brooks, Librarian

## REPORT OF THE TOWN LIBRARY TRUSTEE

The Barrington Public Library received from the State Library in 1975 a certificate for meeting the operating standards set up for libraries in our category. This is an achievement for which we have planned and worked for several years.

New equipment acquired during the year to facilitate and improve services includes a typewriter with library characters, a book cart, a rack for paperback books, and, very recently, a bookcase specially adapted for the many sizes of children's books.

During this year, there was no state grant given, so we did not have the benefit of that as we did last year.

Hours of service were increased again this year for both school and townspeople. Several very capable volunteer librarians have assisted, and enabled us to offer some of these expanded hours, especially the Sunday afternoon hours. Many thanks go to them. Special research hours have been held for the school children, and the excellent pool operation with the school has continued.

Our increased patronage has prompted us to purchase more books and magazines, and the Bookmobile continues to augment our supply. Any book which we do not have may be ordered by the librarians if it is available in the State Library or a Resource Center. The librarians welcome suggestions for titles which patrons would like to have added to our collection.

We have had several gifts of fine books during the year, and some very practical and handsome stationery.

For more than a year, the Social Security tax situation has been a problem, and many hours and much effort have gone into filling out forms, answering questions, and gathering information as one agency and then another has discussed our status which is still undecided.

A story hour program was held again this year. We attempted to have the Little Red Wagon for one activity, but arrangements could not seem to be made with the players. We hope to have the story hour again in 1976, and have some changes and new plans in mind.

Library organizations in our State were shocked and saddened by the sudden death of our capable and well liked State Librarian, Emil Allen, Jr. One of the eulogies in his honor was especially apt when it stated that he helped make libraries "windows to life and to the world."

Respectfully submitted,  
Dorothy B. Berry

## BUILDING INSPECTOR'S REPORT FOR 1975

Construction for 1975 proceeded at a very slow rate. Estimated cost of construction was approximately \$1,000,000.00, less than 1974.

This supposedly could be blamed on inflation, high rates of interest, and unemployment.

My work load was about half of what it was in 1974. Violations were at a minimum. Several cases were referred to the Board of Adjustment for appeals of various descriptions, mostly small home operated businesses. I do believe that the Board of Adjustment should be complimented on their prompt attention to the cases referred to them.

My compensation, as you will see in the following report was strictly on a fee bases, plus secretarial fees.

I wish to express my appreciation to all citizens of Barrington, both resident and non-resident and any and all Town officials who have assisted me in my duties.

Respectfully submitted,  
Earl W. Colby,  
Building Inspector

## BARRINGTON AMERICAN REVOLUTION BICENTENNIAL COMMITTEE

1975 has been a busy and productive year for the Barrington American Revolution Bicentennial Committee. On March 26, we started meeting on a regular monthly basis. At this time two important committees were chosen: a Ways and Means Committee with Mr. Raymond Spinney as Chairman and a Program Committee chaired by Mr. Robert Drew.

In April the committee chose two boys, Douglas Hatch and James Haley to represent Barrington in the New Hampshire Bunker Hill Day Parade at Manchester on May 17. The boys were dressed in colonial costumes provided by their parents and carried a blue and white banner with the letters, "Barrington 9 Men" signifying the nine men from Barrington that fought at Bunker Hill.

Early in June, committee members aided by some friends and neighbors, constructed and erected a flag pole at the Town Hall. On June 14, Flag Day, in a brief but impressive ceremony, Selectmen W. Richard Burrows and Ronald Seaver accepted the gift on behalf of the Town of Barrington and at 12:00 noon, Barrington joined thousands of towns and cities throughout the United States in raising the American Flag and Bicentennial Flag above the Town Hall.

During the summer several organizations held Bicentennial related events. Among these were a parade and muster by the Minute Men on July 13, Ed Beal's Black Powder Shoot on August 9, 10 and Centennial Grange Fair on August 16.

The Bicentennial Committee applied for a \$1,000 matching grant from the New Hampshire American Revolution Bicentennial Commission to help the Barrington, New Hampshire Historical Society publish its book Graveyards of Barrington, New Hampshire. This grant was approved and received in September.

The Ways and Means Committee have sold bumper stickers, decals, shoulder patches and medallions this year and sponsored a very successful Barn Dance on November 15. Proceeds from this plus a substantial donation from the Barrington Minutemen have helped to increase our Treasury.

At present, committee members are gathering signatures on the Wagon Train Scroll. This Scroll dedicates "anew our belief in the precepts of our founding fathers," and will be carried by wagon train to Valley Forge, Pennsylvania, where it will become part of the Archives. Present plans call for the Wagon Train to pass through Barrington May 18, 1976.

Chairman Robert Drew and the Program Committee have provided this preliminary schedule of events for 1976:

- January 1 - New Year's Eve Dance. Sponsor - Chapel of Nativity.
- February 12 - Bicentennial Film, "These States", shown for school children in the afternoon and for the general public at night.
- February 22 - Ice Fishing Derby for Children. Sponsor - Major Waldron Sportsman Association.
- April 25 - Fast Day, Church Service, Barrington Churches.
- May 18 - Wagon Train will pass through town; scroll will be collected.
- May 31 - Memorial Day Parade, Gravesite Services, Choir and Speaker.
- Sponsor - VFW Post and VFW Auxiliary.
- June 12 - House tours of Barrington. Sponsor - Barrington Womens Club.
- June 28 - Musical "Flag Waving" in Strafford; combined choirs of Barrington Catholic, Evangelical Free Church, Congregational and Strafford Churches.
- June 19 - Square Dance, Town Hall. Sponsor - Barrington Snow Goers.
- Late June - Horse Pull. Sponsor - B.A.R.B.C.
- July 2 - Start of Gala 4th of July weekend. Musical "Flag Waving" at the Barrington Congregational Church.
- July 3 - Field Day - Games, Sports, Chicken Barbecue, etc.
- July 4 - Bus Tours - afternoon. Band Concert - night.
- July 5 - To be announced.
- August 14 - Grange Fair. Sponsor - Centennial Grange.

September 19 - Service at the Canaan Chapel.  
 Tentative Plans (Dates to be announced) - Firemans Muster, Minutemen  
 Muster, Black Powder Muster.

#### REPORT OF THE RECREATION DIRECTOR

The past year proved to be a rewarding experience for myself as Recreation Director and I hope a profitable one for town residents. I appreciated very much the interest and cooperation I received from the Selectmen and the concern and enthusiasm demonstrated by the people of the town.

The Recreation Director, in addition to coordinating recreation activities for the people of the town, taught Physical Education classes at the Barrington Elementary School and at town kindergartens. Other duties included supervision of the town gymnasium and scheduling the use of the town gymnasium and community room. New Hampshire Recreation and Park conferences were periodically attended as were practical workshops.

In February recreation questionnaires were issued around the town. Questions pertaining to desirable activities and comments on recreation in the town were asked. Over two hundred questionnaires were returned. It was from the questionnaires that the recreation director could gain a better perspective as to which activities were preferred and thus plan accordingly. The cooperation of the people in town was much appreciated in this project.

On May 10, 1975 the Barrington Education Association held a dance at the Town Hall Gymnasium. Proceeds of the event went toward the purchase of gym equipment. A set of combination parallel and uneven bars was purchased with the money.

The Barrington Voters Association donated two 4x8 tumbling mats to the Barrington Elementary School.

An eight week womens Exercise Program was conducted from April 3-May 22. Twenty-eight women participated in the program. Enid Whittaker, a qualified Bonnie Prudden exercise instructor taught the course.

A girls softball league was coordinated for girls in grades 3,4,5 and 6 from May 7-June 18. A total of sixty girls made up the four teams in the league. The players were given instruction regarding the basic skills of the game and each team played an eight game schedule.

A total of seventy players participated in the Barrington Mens Softball League which ran from May 20 through August 24. Each team played a seven-teen game schedule and participated in a double elimination playoff tournament at the end of the regular season.

Thirty-five children ages 5-12 years participated in a four week (June 23-July 18) summer playground program at the Barrington Elementary School playground area. The program ran from 9a.m. until noon daily. The main objective of the program was to provide the children with a worthy use of their leisure time. Various activities were provided and were well supervised. Ballgames, creative games and arts and crafts instruction were among the activities available.

In June the Recreation Director attended a week long teacher workshop at the Institute of Physical Fitness in Stockbridge, Massachusetts. The program was conducted by Bonnie Pruden, America's foremost authority on physical fitness.

A total of sixty-three students ranging in age from 4-14 participated in swimming lessons held daily for four weeks at Ayers Lake in Barrington (July 21-August 19). The students were taught various Red Cross swimming

techniques by a certified water safety instructor.

Special thanks fo to Mr. and Mrs. Eugene Landry who provided their beach-front property for the program.

Respectfully Submitted,  
James Parks  
Recreation Director

## REPORT OF THE PLANNING BOARD

The Planning Board met twice each month during this year. Most of our time was devoted to administering the Subdivision Regulations and conferring with subdividers. During the year, the Board approved 31 subdivisions with a total of 193 lots. The Board denied one subdivision proposal and this action resulted in a case which is now before the Strafford County Superior Court. At present we have 12 subdivisions with a total of 185 lots under consideration.

With the help of Ms. Sally Sousane, Assistant to the Selectmen, the Board has undertaken preliminary work on the Master Plan of the Town. We are at present working on a questionnaire to survey the attitudes and wishes of the people of the Town and we are also engaged in a land-use inventory of the Town.

During the past year, Gerald Pinzari was appointed to the Board to replace John Ramsdell, whose term expired. William H. Wallace continued to serve as Chairman and Dawn Hatch continued her role as Secretary of the Board.

Once again, the Board would like to express its appreciation to the people of the Town of Barrington, who along with the Members of the Planning Board, are deeply concerned with the future of the Town in a time of rapid growth and unprecedented change.

Respectfully Submitted,  
William H. Wallace  
Chairman

REPORT ON THE TAX MAP

Good progress has been made during the year. As of December 31, preliminary sheets of approximately two-thirds of the town have been completed.

It is proposed to have preliminary prints completed for the whole town and on display at town meeting. The purpose of this display is to allow property owners to review the parcels as shown and to make any comments or corrections. A tax map representative will be available for discussion.

Work continues on the filing card index. Cross indexing and addition of parcel and deed numbers is in progress.

We still need your help in getting deed references numbers, abutting owners and sizes of parcels. Forms for this information will be available at town meeting.

Respectfully submitted,  
Harold E. Flower

# THE ASSOCIATION TEST

The Association Test was a written resolve sent out in April, 1776 by order of the General Congress to all the Selectmen of the Colony of New Hampshire requesting that they present it for signing to each male twenty-one years or older residing in their town (excepting "Lunaticks, Idiots and Negroes"). The Selectmen were also required to list those who did not sign. It was an act of great courage and conviction to sign this paper.

On September 3, 1776 the Selectmen of the Town of Barrington (which then included Strafford), namely : William Cate, Jr., Silas Drew, and John Kingman, presented the signed Association Paper to the Speaker of the House of Representatives for the Colony of New Hampshire. This paper read as follows: (with the signatories arranged alphabetically)

We, the Subscribers, do hereby solemnly engage, and promise, that we will, to the utmost of our Power, at the Risque of our Lives and Fortunes, with Arms, oppose the Hostile Proceedings of the British Fleets and Armies against the United American Colonies.

## ANNUAL SCHOOL MEETING - March 3, 1975

At a legal meeting of the inhabitants of the School District in the town of Barrington, in the County of Strafford in said state, the following action was taken on the School Warrant on Monday, the 3rd day of March, 1975.

The meeting was called to order at 8:00PM by Moderator Clarence Garnett. After reading Article #1 of the warrant, he turned the meeting over to the chairman of the building committee, E. Richard Rowell.

## ARTICLE #1

MOTION: I move the district raise and appropriate the sum of five hundred and ninety-five thousand dollars, (\$595,000), for the construction of a new middle school on land now available to the district and that the district vote to authorize the issue of serial notes or bonds upon the credit of the district for all or any portion of the sum so raised and appropriated; and authorize the school board to determine the terms and conditions upon which the notes or bonds shall be issued, including their sale, the time and place of payment of the principal in accordance with the Municipal Finance Act, New Hampshire Rev. Laws, Chapter 33 and any amendments relating thereto. I further move the question be recessed to reconvene for further discussion and balloting on March 4 at 10:00AM. G. Musler.

Mr. Rowell introduced the school board members, school clerk, Richard Brooks member of building committee, and Mr. William Woglum from the Trapper Brown Company. He then outlined the work done by the committee and gave the reasons for selecting Trapper Brown Co. as the construction company for the proposed new school. Mr. Rowell then turned the meeting over to Mr. Woglum who showed slides of other schools built by his company. He then explained the information supplied by the committee in an outline and asked for questions from the floor. Many informative and interesting questions were asked and were very ably answered by Mr. Woglum. The meeting was then turned over to school board chairman, Walter Lovell. He explained that the school board has received tentative approval from the state for building aid and final approval would come at a later date. He then listed the figures for operating costs of the proposed school and stated that these figures are not in the proposed budget.

At this time a motion was made to recess until March 4th at 10:00AM.

Motion: A. Garnett Passed.

Meeting recessed to reopen at 9:50PM.

Respectfully submitted,  
Elizabeth A. Seaver  
School Clerk

## ANNUAL SCHOOL MEETING - March 4, 1975

The Annual School Meeting was reopened at 10:00AM by acting Moderator Richard Rowell. After reading Article #1 of the warrant and the school offices to be voted upon the polls were opened for voting and Article #1 was open for discussion. After a small amount of discussion, the following motion was made.

MOTION: I move we recess the School District Meeting until March 10, 1975 at 8:00PM Motion: W. Lovell Passed.

The following were elected to office:

Walter Lovell	482 votes	School Board
E. Richard Rowell	48 votes	Moderator
Katherine C. Swain	524 votes	Treasurer
Elizabeth Seaver	42 votes	Clerk
Eleanor Aldrich Ames	389 votes	Auditor

Dorothy Berry 480 votes Auditor

Article #1 passed on a vote of 436 yes and 134 no. 575 votes were cast. The necessary number of yes votes needed to pass the bond issue was 381.

Respectfully submitted,  
Elizabeth A. Seaver  
School Clerk

#### ANNUAL SCHOOL MEETING - March 10, 1975

At a legal meeting of the School District of Barrington, N. H. on March 4, 1975, the following action was taken on the School Warrent.

Acting Moderator Richard Burrows reopened the meeting at 8:00PM. After announcing the favorable vote on the new school, he read the remaining articles in the warrent.

#### ARTICLE 1.

Acted on previously by secret ballot. Yes 436 No 134 Passed.

#### ARTICLE 2.

To determine and appoint the salaries of the school board and truant officer, and fix the compensation of any other officers or agents of the district.

Motion: In as much as Articles 2 through 6 are hinged on the outcome of Articles 7 and 8, I move we bypass these Articles and move to Article 7. F. Timm Passed.

#### ARTICLE 7.

To see if the district will vote to create an AREA School Planning Committee to study the feasibility of joining the Rochester AREA School. The Committee is to consist of three qualified voters, of whom at least one shall be a member of the school board, members to be elected at the meeting unless the district determines that they shall be appointed by the moderator.

Motion: I move that in as much as Article 1 passed, Article 7 be in expedient to legislate. F. Timm Passed.

#### ARTICLE 8.

Are you in favor of authorizing the school board to renegotiate with Rochester to reimplement the AREA School concept to cover grades 7 through 12 starting in September 1975? This action would cancel the present contract covering grades 9 through 12. An affirmative vote on this Article will cause to hold in abeyance any other Article in said School Warrent in reference to a Bond Issue for the building of a new school or an addition to the present school if passed. (By petition)

Motion: I move this article be inexpedient to legislate. Motion: J. Olivier. Passed.

PROPOSED CALENDAR - SUPERVISORY UNION #44 - 1976-1977 SCHOOL YEAR

<u>FIRST TERM</u>	September 8, 1976 to December 23, 1976	72 days
<u>SECOND TERM</u>	January 3, 1977 to February 18, 1977	35 days
<u>THIRD TERM</u>	February 28, 1977 to April 22, 1977	40 days
<u>FOURTH TERM</u>	May 2, 1977 to June 23, 1977	38 days
		<u>185 days</u>

DAYS OUT

October 11	Columbus Day
October 22	Teachers' Convention
November 11	Veterans' Day
November 25-26	Thanksgiving Recess
December 24-31	Christmas Vacation
February 21-25	Winter Vacation
April 25-29	Spring Vacation
May 30	Memorial Day

Washington's Birthday Anniversary falls on February 21, which is during the Winter Vacation, and Fast Day falls on April 25, which is during the Spring Vacation.

The above calendar provides for 185 days of school. The equivalent of 180 days must be devoted to classroom instruction as a minimum. This calendar allows for either 5 full days for staff development, curriculum review, staff planning and the like, or for 10 half days. Days missed due to storms, etc., would need to be recovered either during vacation periods, or by extending the number of sessions. If the staff development program is to be effective, it would need to be operated as a part of the contracted school year.

This calendar is subject to revision by the School Board pending correlation with Rochester's calendar.

REPORT OF THE SUPERINTENDENT AND  
ASSISTANT SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of the Barrington School District:

The year 1975 has been a year of transition for the Barrington School District. With the return of the seventh and eighth grades to Barrington and the construction of the new Barrington Middle School many changes have taken place in the organizational pattern of the schools.

In the spring of 1975 it became apparent that the new school would not be ready in time to start the new academic year. Temporary housing for grades six, seven and eight and a transitional pattern of organization were needed to operate the school until the new facilities were ready to use. Arrangements were made with the Parish Council of the Chapel of the Nativity for the use of the basement of the church and with the Selectmen for the use of the Town Hall Community room and the Town Hall Gymnasium. It should be noted here the spirit of public cooperation is outstanding in the community of Barrington. With the good humor and cooperation of children, parents, teachers and all others it was possible to survive a very trying four months.

As the 1975-76 school year started the Middle School was organized as follows:

Grade 5

Three rooms at the Barrington Elementary School with teachers Lawrice Johnson, Sarah Huckins, and Sheryl Palmer.

Grade 6

The basement of the Chapel of the Nativity with teachers Carolyn Marpes and James Sullivan

Grade 7

The Community room of the Town Hall with teachers Brenda Baxter and Marsha Pelletier.

Grade 8

The Gymnasium of the Town Hall with teachers David Masury, Keith Buckovitch, and John Davison.

This pattern of organization continued until the Christmas recess. When school opened on January 5, 1976, Barrington Elementary School continued its organization:

Grade

Teachers

1	Mrs. Jenneke Clough, Miss Judith Snyder
1 & 2	Mrs. Jane Miller, Miss Sally Perkins
2	Mrs. Frances Cram
3	Miss Catherine Harmon, Mrs. Nancy Haseltine
4	Mrs. Janice Lygren, Mr. Carl Clarke II

Over the Christmas recess the Middle School reorganized on a departmental basis:

<u>Grades</u>	<u>Subject</u>	<u>Teacher</u>
5	Science & Math	Miss Lawrice Johnson
5	Language & Social Studies	Mrs. Sarah Huckins
5-8	Home Economics	Mrs. Marsha Pelletier
5-8	Art	Ms. Sheryl Palmer
5-8	Music	Mr. Randall Neal
5-8	Industrial Arts	Mr. David Masury
5-8	Physical Education	Mr. Keith Buckovitch
6-8	Social Studies	Ms. Carolyn Marpes
6-8	Language	Mr. John Davison
6-8	Math	Miss Brenda Baxter
6-8	Science	Mr. James Sullivan III

Other Staff Members

Principal	Mr. Barry Clough
Assistants to Principal	Mr. Carl Clarke and Mr. John Davison
School Nurse	Mrs. June Colby
Teacher Aides	Mrs. Nancy Anderson and Mrs. Marjorie Mielke
Library Aides	Mrs. Ann Brooks
Custodians	Mr. Calvin Swain, Steven Hemeon*, Kevin James*, Barbara Nasuti*, and Ramona Cook*
Lunch Manager	Mrs. Lorraine Cossette
Lunch Workers	Mrs. C. Mountain, Mrs. R. Wormell, Mrs. S. Brown, Mrs. G. Radlof, Mrs. A. Trask, and Mrs. W. Stover
Secretary	Mrs. Grace Haley
Clerical Aides	Peggy Carper*, Paula Manser*, and Madaline Moffett*

Also working in the Barrington schools are members of a joint Title I and Special Education Project: Miss Charlene Davis\* and Miss Margaret Reed\*.

Personnel listed above with an (\*) are funded under Federal Programs at no cost to the School district.

As of September 19, 1975 the enrollment in the Barrington Schools was distributed as follows:

<u>Grade</u>	<u>1</u>	<u>2</u>	<u>3</u>	<u>4</u>	<u>Total</u>	<u>5</u>	<u>6</u>	<u>7</u>	<u>8</u>	<u>Total</u>
Pupils	66	57	65	51	(239)	73	51	56	63	(243)

In addition the Barrington School District transported pupils to Spaulding High School under an agreement:

<u>Grade</u>	<u>9</u>	<u>10</u>	<u>11</u>	<u>12</u>	<u>Total</u>
Pupils	62	37	29	39	(167)

Assignment of pupils to other schools was:

<u>Pupils</u>	<u>School</u>	<u>Grade</u>
2	Dover Vocational	9
4	Dover Vocational	10
2	Dover Vocational	11
2	Dover Vocational	12
1	Dover High School	12
1	Coe-Brown	11
1	Great Bay	Elementary

Barrington continues to experience substantial growth and this is reflected in the school population. Dramatic growth potential is projected for the near future. As this growth takes place the cost-effectiveness of current educational practice in tuition programs and other agreements need to be watched carefully. Currently several handicapped pupils are receiving educational programs on the local level at a considerable saving over paying tuition to other agencies. This is an example of the economics that can take place by an alert administration when they have the flexibility to implement such programs. As a general rule and when size and other conditions are right it is less expensive to educate pupils on the local level and the community is usually more satisfied with the result.

The year 1975 also marks the second year, the implementation year of the Seacoast Educational Services. This is a cooperative venture of eight Supervisory Unions consisting of thirty-five School Districts. Through the joint efforts of the members of this group a cooperative sharing of services is taking place. Noticeable savings have occurred in the maintenance of audio-visual equipment. A cooperative purchasing program is in the works and numerous other ideas will be implemented in the near future.

Respectfully submitted,

Charles H. Morgan  
Superintendent

## Principal's Report

To The Citizens of Barrington:

It seems to be a reasonable assumption that the most prevalent topic of discussion in an educational sense during this past year has been our new Middle School. As a community, Barrington has repeatedly demonstrated a willingness to identify municipal problems and most importantly find solutions for them. It is this sense of public responsibility that has come to the forefront again in the form of a fine facility and comprehensive Middle School curriculum for our children. The town has again met a problem with a solution, an approach for which it can and should be proud.

But the act of constructing a building and providing funds for programs does not in and of itself guarantee meaningful learning experiences. There is curriculum planning, designing schedules, teacher selection, the "one-time" process of purchasing major equipment items and many other activities that go into establishing a new school system. The School Board, Building Committee, faculty and administration have been busily addressing themselves to the task of managing an idea into reality, and on January 5th the doors of the Barrington Middle School opened with 248 pupils in attendance. Since the Middle School capacity is 330 pupils and the transfer of the fifth and sixth grades from the Elementary School leaves us three classrooms in that building for future growth, we are in good shape in terms of classroom space for the immediate future.

While the organization and equipping of the Middle School has been the dominant consideration, we have been continuing our efforts to refine current programs and establish new ones when appropriate. At the elementary level, we have begun the multi-age concept of classroom organization which seems to be working out quite well. We enjoyed 100% parent support prior to instituting this particular change which was thoroughly appreciated. Barrington was also quite fortunate to win on a competitive basis a Title II NESEA (National Elementary and Secondary Act of 1965) Special Purpose Grant in the amount of \$2,000.00 for the academically gifted child. This grant was one of 11 proposals to receive funding in New Hampshire.

As in any system, however, there are some areas in need of review and strengthening. Such areas for us to concentrate on as cited in the visitation report of Mr. John G. Economopoulos, Assistant Chief of the Division of Instruction, New Hampshire Department of Education, are as follows: 1) our Pupil-Teacher Ratios in Grades Two and Three - we should be maintaining a 25 to 1 ratio while we presently are running a 30 (or over) to 1 ratio; 2) a certified Music Teacher and hence, a music program for Grades 1 through 4; and 3) additional materials and space for the Library. These needs, while certainly important, can be phased in gradually. I mention them simply for balance in reporting the condition of our school system to you. I have no doubt that these deficiencies will be dealt with as time and resources permit. The school system has made tremendous strides in the recent past, and in particular this past year, due to the foresight and problem-solving approach that you, the taxpayers and citizens of Barrington have elected to follow. On behalf of the children I thank you all for this sense of commitment.

In closing, I wish to thank the parents, especially those who have given time as volunteer aides, the teachers who have given so many extra hours of dedicated service, and the School Board and Building Committee who put so much of their time and talent into guiding the building program to completion. In my humble opinion, it has been this continued mixture of citizen commitment, professional effort, parent cooperation and effectiveness demonstrated by your elected leadership that has enabled the children to experience another beneficial year in their education.

Sincerely,

Barry L. Clough, Principal, Barrington Schools

## SCHOOL NURSES REPORT FOR 1975

The new year started with several projects under way. The Battered and Abused Child had been brought to my attention at a State School Nurses Meeting in October. After a workshop was conducted for the faculty it was felt that we should ask experts in the field to participate in a panel discussion as a follow-up. Bruce Johnson, Attorney; Margery Kohut, N. H. State Welfare; Dr. Andre Vanderzanden, Pediatrician; and James Rivet, Strafford Guidance Center, all of Dover, met with the faculty in the Community Room for a most informative session. Teachers and nurses from surrounding towns were invited to attend. Two further meetings were held with James Rivet, focusing on the Emotionally Abused Child.

The annual Dental Poster Contest, sponsored by the State Dental Association Auxillary was won by Steven Carr, grade 6, Amy Putnam and Steven Clough, grade 5.

There was some difficulty getting volunteer drivers for the Matching Funds Dental Clinic after churches, organizations and businesses contributed more money for this worthwhile cause than ever before. Between November 18, 1974 and March 3, 1975 there were 13 students with dental work completed and 5 more students having some dental work done.

The school was able to use films from the Media Services at U.N.H. as teachers edited and commented, so a list could be made up for use at specific grade levels on health subjects.

From the end of March to summer vacation I was absent due to illness.

The pre-school registration day physicals were done by Mrs. Lois Fistere, R.N., School Nurse from Strafford. We were very grateful for her willingness to step in an emergency.

After successful surgery in the summer, I was at my desk again in September.

Pre-school physical forms came in very well. New registrants took a little longer, adding to the paper work.

Just before school started in the fall I attended a workshop in Concord. The topic was "Pediculosis" (head lice). This is a growing concern in N.H. As a result, notices went out in the local newspaper so that all children would be checked prior to school, and for the first time in my six years as school nurse in Barrington, all heads were free of head lice. Periodic checks will be made during the year.

We jumped the gun on the eye glass protectors. After the directive was received from the state and notices sent to parents, we were informed that this is a future aim, not to be instituted in N.H. at this time.

Because of the over-whelming amount of paper work for close to 500 students, I asked for help so that I could get on with student physicals and testing. My request for a volunteer was answered by the B.E.A. Mrs. Sandra Lewis, L.P.N. has been working in my office one morning each week. She has also organized the Matching Funds Dental Clinic and set up the schedule of drivers for this year. Mrs. Thelma Swallow has also volunteered her time on Friday mornings, typing, copying and aiding in getting resource materials for the Health Education Curriculum for the Middle School.

We continued to share testing equipment for Vision and Hearing testing with the Strafford Schools. Physicals were started on new students and referrals from teachers of students with defects. New equipment will be purchased for the Barrington Schools as soon as the new school is opened. Strafford and Barrington will then have their own equipment.

As tuberculin testing was done last spring in my absence it was scheduled early this fall. Because of the higher incidence of tuberculosis in adults, all adults working with or near children such as kitchen workers, bus drivers and teachers, must be tested annually, and chest X-Rays taken if the test is positive. Miss Constance Martin, R.N. of the N.H. Lung Association was here two days giving tests and checking results.

As another aspect of my position I have been delegated by the principal

to set up a Health Education Curriculum for the Middle School. Members of the community have been contacted and found willing to become involved in teaching and counseling. Such subjects as, Family Living with Sabra and Rev. James Frase; Human Relations with Sister Eileen Doyle and Mrs. Jane Olivier; and Mental Health with Rev. John Horgan will be taught along with Science, Physical Education and Home Economics by the regular faculty. A parents night will be conducted to show films and explain the outline to parents of 6th, 7th, and 8th grade students. Long range plans are to include this outline into the regular school curriculum in the coming year. RSA 189:10-11 directs that all schools must set up a curriculum to teach nutrition, drugs, alcohol and VD.

Miss Nancy Gardner, State Dental Hygienist has started her annual 10 week dental education session at the 4th grade level. This included parent permission due to use of the red coloring tablets, individual examinations, instruction in the proper use of the toothbrush and advice on good eating habits. After initial examinations, the classroom teacher will check on the weekly progress of the students. Miss Gardner will return periodically to check progress of the class and then leave with me a list of students needing follow-up.

This fall I attended the State School Nurses meeting in Manchester which included a lecture on Athletic Injuries given by Dr. Ingvar Vittands of Dover. I also attended a workshop in Concord on Scoliosis (curvature of the spine). James Parks, Recreation Director also attended with me. Screening of all students for Scoliosis in grades 5 through 8 will be conducted following letters of explanation to parents.

I am now attending a (4 credit) course, "School Nurses; Problems and Issues", given through the School of Continuing Studies, U.N.H. at Concord from October through May of this year.

Due to the added number of students and the few hours I am on duty, I was unable to test vision and hearing on all students before the holidays as I have done in the past. I have checked all students who have been referred by parents or teachers and have informed parents of any defects found.

There was a problem in the fall of children getting stung by wasps or hornets. It was then necessary to compile a list of children allergic to insect bites so that emergency care could be implemented if necessary. There were ten students on this list. Teachers are also made aware of any child with a physical problem such as cardiac, epilepsy, asthma, vision and hearing etc. for the same reason. Because emergencies do happen, it is very important that the school be informed and also have on record a telephone number where either the parent or other responsible person can be reached.

The number of students taking medication in school has decreased from five in September to two at this time. Because of the legal aspects, medication is not encouraged during school hours as the classroom teacher has to administer it. The nurse is not on duty full time to take this responsibility.

This has been a very busy year. I wish to thank parents and other members of the community who have helped to make it successful.

June V. Colby, School Nurse

FEBRUARY 7, 1774

At a legal meeting held at the Town of Barrington on February 7, 1774 -- two hundred years ago -- everyone present voted in favor of the following Resolution:

1stly that liberty is the birthright of every Englishman an essential part of which is a power vested only in themselves or their representatives to dispose of their property: and as the inhabitants of this town are part of His British Majesty's liege subjects and have a right to all the privileges of such subjects and of Englishmen, so we apprehend we cannot be legally taxed by any power on earth but what is delegated by ourselves

2ndly that the laying a duty on teas by the British Parliament to be paid upon their being landed here is an infringement upon the natural rights of Englishmen and is calculated to carry into execution the plan of despotism adopted by the British ministry, has a direct tendency to subvert our happy Constitution and to reduce us to a state little short of African slavery

3rdly that it is the duty of every honest man to exert his utmost ability in opposing every effort of the enemies of our liberties to enslave us that by this mean we may be instrumental of transmitting unimpaired (through the ravages of time) our liberties down to the latest posterity

4thly that we will not "directly or indirectly" purchase any of the teas sent here by the East India Company or suffer it to be used in our families, and those who dissent from this resolve we shall esteem as enemies to their country, as pests to society, and as friends to slavery, and that they ought to be treated with neglect by every true hearted Briton

5thly that the thanks of this town is given to every community and individual that have exerted themselves in the noble and glorious cause of freedom.

Ordinance for Acceptance of New Streets  
(Article 14)

1. The developer or owner shall be required to have an article placed in the town warrant for acceptance of new streets when at least eighty per cent of the proposed buildings are completed and occupied on said street, and the following minimum standards of design and construction have been complied with.

(a) The developer or owners shall submit a preliminary plan and profile of proposed streets to the Selectmen for approval. No dead end streets will be approved unless a turn-around having a minimum radius of fifty feet is provided. Street grades shall not exceed ten per cent nor be less than half of one per cent. A minimum of fifty feet for right of way shall be deeded to the town.

(b) Roadway width shall be no less than twenty-eight feet from shoulder break to shoulder break with ditches no less than one foot deep a minimum distance of four feet from the shoulder break. Pavement if constructed shall be no less than twenty feet in width. The roadbed shall consist of twelve inches of gravel, drainage, grading and compaction necessary to provide a finished surface conforming to lines and grades shown on the plans. All cross drainage shall have a minimum diameter of twelve inches, with a minimum depth of cover of eighteen inches. All driveways shall be graded to drain to the roadway ditchline.

2. In the event that streets are not paved, the extent of acceptance shall be limited to snow removal for a period of two years. Any major road repairs required during this period shall be the responsibility of the developer or owners.

3. Upon completion of the two year period, full acceptance of the street will be assumed by the town unless objection to same is entered by the Selectmen.

## an AMERICAN CREED

I believe in the united states of america as a government of the people, by the people, for the people, whose just powers are derived from the consent of the governed; a democracy in a republic, a sovereign nation of many sovereign states; a perfect union, one and inseparable, established upon the principles of freedom, equality, justice, and humanity for which american patriots sacrificed their lives and fortunes. i therefore believe it my duty to my country to love it, to support its constitution, to obey its laws, to respect its flag; and to defend it against all enemies.

*William Tyler Page*

William Tyler Page (1868 - 1942), wrote The American's Creed, which the U. S. House of Representatives adopted in 1918.
